**Special Programs/Awards**  
**Negros Occidental, 2001-2006**

<b>Green Apple International Award</b>
This award is given by the House of Commons, United Kingdom for the implementation of long-term environmental programs which are community-based in nature.
<b>Tag-Amlig/ Search for the Most Environment Friendly School Barangay</b>
Recognizes outstanding contributions made by various schools and (1998-2001 and 2002-2006)
<b>Provincial Environment Week celebration</b>
Observed every fourth week of June, the celebration aims to enhance consciousness of Negrenses and solicit support and participation in environmental programs and projects. This is now on its 14th year of celebration with themes focusing on the current environment issues.
<b>Kahoy Ko, Kabuhi Ko (My Tree, My Life)</b>
In cooperation with the Department of Education (DepEd) and the Department of Environment and Natural Resources (DENR). Student participation in environmental protection and rehabilitation is enhanced through information, education campaign, seedling production and regular tree planting which are component activities of this program. This has been institutionalized with the Department of Education since 2003.
<b>Enterprise Development</b>
Designed to complement all other programs, It aims to assist producers in selling their products to the right market.
